**SOBs:** Last month the SOBs (Steve's Organized Bunch) installed gates on the San Leon Cemetery.

This month, they will be repairing a front porch and wheelchair ramp for a local resident at 4444 4th Street in San Leon. Anyone who wants to help just meet us out there, we'll be getting started at 8am on May 17th.

The SOBs received a very kind thank you letter from Shirley Williams for a project we did at her house on November 11 of last year. Shirley has been in the hospital several times since then, and just got home from some major surgery. She wanted to thank everyone who helped fix up her place.

**From txkingfisher@yahoo**

Hey, I was leaving my house on 22nd street in San Leon this morning headed for Brazos Bend State Park when I turned down 25th street and came across this peacock standing in the middle of the road. I'm pretty sure it came from the place that has the deer and stuff on 25th. Only in San Leon right?

**From: Bob & Pam Tilden**

Photo of a 6-7 foot alligator that was on our place in San Leon. We have a pond, so the alligator had it made. It's funny how he was found. Our neighbor was picking berries next to the pond and the gator was sunning himself in the tall grass. She almost stepped on him but instead dropped the berries and ran like hell. The game warden took him and released him someplace.

**From San Leon Mayor Keith Heinze:**

Politics is a dirty business, which is what I like about it. I like to get down and just roll around in it. Which brings me to my main point. I'd like to thank a few people for their help in lying and cheating to get me re-elected: Howell, Jatón & crew, Gator & crew, the Seabreeze, and the voters. I also want to express my deep respect for Mr. And Mrs. Jerry Etie (ET) who was a worthy opponent and is a fine citizen. We are blessed and our community is blessed by having people like these.
