Funny Bones

St. Peter and Satan were having an argument one day about baseball. Satan proposed a game that would be played on neutral grounds between a select team from the Heavenly Host and the devil's own hand-picked boys.
"Very well," said the gatekeeper of Heaven. "But I hope that you realize that we've got all the good players and the best coaches."
"I know, and that's all right." Satan answered unperturbed. "We've got all the umpires."

A brunette walks into a bar and says, "Gimme an M L."
The bartender says, "What's an M L?"
The brunette says, "A Miller Light."
Another brunette walks in and says, "Gimme a B L."
The bartender says, "What's a B L?"
She says, "Bud Light."
A dumb blonde walks in and says, "Gimme a 15."
The bartender says, "What's a fifteen?"
The blonde says, "7&7, duh!"

"Well, now the people on Cloud Nine have a nice picket fence."

Things men will never say:
I'm sick of beer, give me a fruit juice.
Great, your mother's coming to stay with us again.
I wonder if my gorgeous neighbor knows that her drapes are open when she's getting ready for bed? Maybe I should tell her.
No way, you weeded the garden last week. It's my turn.
Better get rid of these old Penthouse magazines. I don't look at them any more.
This movie has too much nudity.
Damn, we're late for church!
No, I don't want to see your sister's boobs.
Dang these onions, pass me a tissue.

Loser Rats

One day, there was a little native American boy, and he asked his chief, "how did running bear get his name?" and the Chief said "well at the time he was born, his parents saw a bear running and decided to call him running bear." then the little boy said "well what about Snake in the grass?" "well when he was born his parents saw a snake in the grass and they decided to call him Snake in the grass." He went through the whole list of villagers and when he was through with the list the chief said "There, does that answer all your questions 2 Dogs Humping?"

The Death of The Invisible Man

"So let me get this straight," the prosecutor says to the defendant, "you came home from work early and found your wife in bed with a strange man."
"That's correct," says the defendant.
"Upon which," continues the prosecutor, "you take out a pistol and shoot your wife, killing her."
"That's correct," says the defendant.
"Then my question to you is, why did you shoot your wife and not her lover?" asked the prosecutor.
"It seemed easier," replied the defendant, "than shooting a different man every day!"

A blonde who's down on her luck is walking through a luxurious neighbourhood looking for odd jobs to do when she approaches a large house. She goes up to the house, rings the bell and the owner comes to the door.
He asks the lady what he can do for her. The blonde tells him of her situation, that she is down on her luck and wants to know if he has any odd jobs that she could do. The man thinks about it for a second and then remembers that he has been wanting his porch painted. He asks the blonde if she paints?
The blonde says, "Sure anything."
"Well, I've been wanting my porch painted, how much would you charge?" the man replies.
"I don't know, say \$50 bucks."
"Sounds good. Go ahead and get started." He closes the door and walks back inside.
His wife asks him, "Who was at the door?" He tells her of the blonde and her situation and then told his wife that the blonde agreed to paint the porch for \$50 bucks.
The astonished wife says, "\$50 bucks, but that porch goes the full length of our house and then some. It will be at least a few hours job. You really should pay her more."
"But that's all she said she wanted, and anyway she's a dumb blonde!"
10 minutes later, they get a knock on the door. The man answers the door and the blonde stands there and says, "All done."
With a surprised look on his face, "I can't believe it, you're already done painting the entire porch."
"Yes, and by the way it's not a porch it's a Ferrari."
