

POLICE BLOTTER:

Each month we have SOMEONE who calls, asking us to PLEASE not put someone's picture in the paper, that they're really a good person and so on. I am going to KEEP MY WORD to this community, so if anyone is arrested in San Leon or Bacliff with crack or meth, they WILL be in the paper. I have in the past published a family member's picture and also that of a close friend. If I didn't cut them some slack, why would I do so for anyone else? There can be no exceptions, so please do not ask. I gave my word. (Steve Hoyland Sr. - Editor)
