

Announcing...

**"SAN LEON'S VETERAN'S DAY AND UNITED STATES MARINE CORPS BIRTHDAY CELEBRATION"
BEING CELEBRATED, TOWN-WIDE, IN SUNNY SAN LEON
NOVEMBER 8TH, SATURDAY
ALL DAY**

Friends, last year the "San Leon Veteran's Day and United States Marine Corps Birthday Celebration" raised nearly \$20,000, with "every dollar" you donated, going "directly" to assist our battle field wounded Marines, Navy Corpsman and Soldiers returning home from Iraq and Afghanistan. Every Dollar.

Folks, We still got a War Being Fought. Our Troops Need Us Now More Than Ever. This year, once again, thanks to our sponsoring San Leon Donors, "every dollar" you donate goes "directly" to help our troops, with the semperfund.org being this years worthwhile beneficiary, of your efforts and dollars, to help those returning Heroes who have been brain injured and left (loss of) legs and arms on the field of battle, in Defense of You, Your Children, Your Families and Our Great Country.

It ain't just a Saying, It's Fact, "I'm From San Leon, By God, and We Support Our Troops".
