**Houston**

“Stand Down” is military terminology referring to the brief period of time a soldier leaves an active combat area in order to rest and regain strength. The Houston Area Stand Down will bring a wide range of specialized resources together to provide homeless Veterans with comprehensive medical and psychosocial services. Stand Down can be an opportunity for the homeless Veteran to access a broad spectrum of services at one convenient location and to create a plan for re-entry into mainstream society.

Stand Downs are one part of the Department of Veterans Affairs’ efforts to provide services to homeless Veterans. Stand Downs are typically one to three day events providing services to homeless Veterans such as food, shelter, clothing, health screenings, VA and Social Security benefits counseling, and referrals to a variety of other necessary services, such as housing, employment and substance abuse treatment.

*Ruby Bernice Boman Biggs*

*January 12, 1929 – September 16, 2009*

Ruby was born in Cameron, TX on January 12, 1929 and has been a resident of San Leon, TX for the past 39 years. Mrs. Biggs was an accomplished artist, cook and seamstress, as well as running an accounting and tax preparation business for over 30 years. She was a well-respected member of the community and known far and wide for her sense of humor and sharp wit. She adored her children and grandchildren and was always eager to help a friend in need. Our family loved her beyond compare and she will be missed by us all, as well as her friends and neighbors and customers. Our greatest consolation during this time of sorrow is the joy in knowing that she is finally with Jesus and her parents, husband, sister and other relatives and friends that have welcomed her into heaven.
