KELCI'S KORNER

Extreme Home Makeover comes to town

On January 8th, my neighbors, the Beach family, were nominated for a popular TV show on ABC called "Extreme Home Makeover".

Within a couple of days we had 15 RV trailers in our back yard, including Ty Pennington and all of the thousands of people who took their time to help build a magnificent house for a great cause.

About three days later we had a special guest, actress Jessica Alba of *Fantastic 4*, staying in our back yard!

It was very exciting to see a famous actress petting our horses and dogs.

The crew built the Beach family's house in exactly a week. Every one of the volunteers worked day and night in extreme weather conditions so the Beach family could have a very nice home.

My family and I were very fortunate to have this experience happen right in our yard.
