

Funny Bones

The Lone Ranger and Tonto went camping in the desert. After their tent is all set up, they fell sound asleep.

One hour later, Tonto wakes the Lone Ranger and says, "Kemo-Sabe, look towards sky, what you see?"

The Lone Ranger replies, "I see millions of stars."

"What that tell you?" asked Tonto.

The Lone Ranger ponders for a minute, then says, "Astronomically speaking, it tells me there are millions of galaxies and potentially millions of planets.

Astrologically, it tells me that Saturn is in Leo.

Time wise, it appears to be approximately a quarter past three in the morning.

Theologically, it's evident the Lord is all-powerful and we are small and insignificant.

Meteorologically, it seems we will have a beautiful day tomorrow. What does it tell you, Tonto?"

Tonto is silent for a moment, then says, "Kemo-Sabe, tell me someone stole tent."

I told my blonde girlfriend that I was going skeet shooting.

She told me she didn't know how to cook them.

The pastor was talking to a group of young children about being good and going to heaven.

At the end of his talk, he asked, "Where do you want to go?"

"Heaven!" Suzy cried out.

"And where do you have to be to get there?" asked the preacher.

"Six feet under!", yelled Little Johnny.

Little Mary was in the garden filling in a hole when her neighbor peered over the fence.

Interested in what the youngster was up to, he politely asked, "What are you up to there, Mary?"

"My goldfish died," replied Mary tearfully, without looking up, "and I've just buried him."

The neighbor was concerned, "That's an awfully big hole for a goldfish, isn't it?"

Mary patted down the last heap of earth then replied, "That's cause he's inside your cat."

A was blonde eating a Tootsie Roll Pop and another blonde asked her, "So... how many licks does it take to get to the center of a Tootsie Roll Pop?"

Without a thought, the blonde replied, "Beats me, but it took almost the whole day just to lick through the wrapper."

One recent Sunday, a young boy arrived to his Sunday school class late. His teacher knew that the boy was usually very prompt and asked him if anything was wrong.

The boy replied no, that he was going to go fishing, but that his dad told him that he needed to go to church instead. The teacher was very impressed and asked the boy if his father had explained to him why it was more important to go to church rather than to go fishing.

To which the boy replied, "Yes, ma'am, he did. My dad said that he didn't have enough bait and beer for both of us."

A Polish man moved to the USA and married an American girl.

Although his English was far from perfect, they got along very well until one day he rushed into a lawyer's office and asked him if he could arrange a divorce for him.

The lawyer said that getting a divorce could depend on the circumstances, and asked him the following questions:

"Have you any grounds"?

"Yes, an acre and half and nice little home".

"No, I meant what is the foundation of this case"?

It's made of concrete

"I don't think you understand. Does either of you have a real grudge"?

"No, we have carport, and not need one".

I mean, what are your relations like?

"All my relations still in Poland".

"Is there any infidelity in your marriage"?

"We have hi-fidelity stereo and good DVD player".

"Does your wife beat you up"?

"No, I always up before her".

"Is your wife a nagger"?

"No, she white".

"Why do you want this divorce"?

"She going to kill me".
